**Attachments:** EPA 404c 081210.pdf; www.bbnc.net

Mr. McLerran:

Attached to this email please find attached a scanned letter signed by Bristol Bay Native Corporation President and CEO Jason Metrokin regarding the Clean Water Act 404(c) process to prohibit certain lands from use as a disposal site for dredged or fill material.

A hard copy will follow in the mail, as well as personal contact from Mr. Metrokin. BBNC looks forward to working with EPA through this process.

Amy DeBruhl

Communications Coordinator
